

THE NEW FSO SYRENA ALREADY ON THE ROAD. VOSCO EV TO ENTER SERIES PRODUCTION THIS YEAR

The Vosco S106EV was expected to receive homologation later the previous year and enter series production this year. The Syrena S.A. FSO (Passenger Car Factory) has shared new information about its project. The plans are ambitious

ORLEN GROUP WITH THE BEST RESULTS IN THE HISTORY

ORLEN Group posted record-high LIFO-based EBITDA of PLN 3.2bn, up by PLN 1.2bn (y/y) for the Q2 of 2021. The strong market position of the Group has also been confirmed by the net profit of PLN 2.2bn and 73% (y/y) growth in revenue to PLN 29.4 bn. The power generation and petrochemical segments had the greatest impact on ORLEN Group's results. More than half of ORLEN Group's sales revenues come from foreign markets.
